AB 86: Support Cooperation between Community College Districts and K-12- based Adult Education Providers

Whereas both K-12 adult ESL programs and community college ESL programs serve adult learners throughout the state;

Whereas CATESOL adult level members and CATESOL community college members provide adult ESL education leadership throughout the state;

Whereas, AB 86 provides opportunities for CATESOL adult level and community college level members to bring their expertise to the collaborative planning process;

Resolved, that the membership of CATESOL support cooperation and collaboration among the community college providers and the K-12 adult education providers throughout California in order to better serve our learners.
